Dear Mr. Hammen,

Please find the attached Notice and Finding of Violation that EPA is issuing your company alleging violations of the Clean Air Act. Due to the spread of the COVID-19 virus, EPA staff are unable to mail a hard copy of the letter to your office. Please respond to this email to acknowledge receipt.

We recognize that this is a difficult time for many businesses. The attached letter asks you to arrange any meeting with us concerning these allegations within 30 days. Instead of meeting in person, we can arrange a video conference or a teleconference. Also, if meeting within 30 days is not possible under these circumstances, we can discuss alternatives.

We sincerely hope you and your family are safe and healthy. Best wishes for the future.
